

# Legal Accounting as a Service

Cashroom provides a full accounting service to the legal profession - from day to day transactional processing to month end reconciliations and regulatory compliance, management accounts and fractional CFO services

## Legal Bookkeeping

Ensure compliance, reduce costs and become more efficient

## Payroll

Cashroom takes care of all aspects of your payroll so you can focus on what matters

## Management Accounting

The data you need to run your firm

## Fractional CFO

Legal accounting and data insights to support your firm

## Credit Control

Gain certainty, clarity, flexibility and control

## Consultancy

Bring time, resource and expertise to re-design your accounting processes

## Benefits of working with Cashroom

- ✓ Frees up attorneys to spend more time fee-earning and winning new business
- ✓ Increased resource - you don't need to worry about holiday cover, parental leave etc
- ✓ Reduce costs and accelerate organizational transformation
- ✓ You only ever pay for the level of service and support you need and services can be scaled up or down based on demands
- ✓ Improves disaster recovery planning with remote support available whenever you need it
- ✓ Reduce risk, ensure compliance and improve efficiency

Many of our accountants and bookkeepers have worked in finance functions in law firms meaning they have first hand experience working for firms like you. Our expertise in the sector makes Cashroom an ideal partner for your outsourced finance function
